

HOW TO WRITE AN AUTOBIOGRAPHICAL NOVEL: ESSAYS by Alexander Chee  
book PDF Download

**How to Write an Autobiographical Novel: Essays** From the author of *The Queen of the Night*, an essay collection exploring his education as a man, writer, and activist—and how we form our identities in life and in art. As a novelist, Alexander Chee has been described as “masterful” by Roxane Gay, “incendiary” by the *New York Times*, and “brilliant” by the *Washington Post*. With *How to Write an Autobiographical Novel*, his first collection of nonfiction, he’s sure to secure his place as one of the finest essayists of his generation as well. *How to Write an Autobiographical Novel* is the author’s manifesto on the entangling of life, literature, and politics, and how the lessons learned from a life spent reading and writing fiction have changed him. In these essays, he grows from student to teacher, reader to writer, and reckons with his identities as a son, a gay man, a Korean American, an artist, an activist, a lover, and a friend. He examines some of the most formative experiences of his life and the nation’s history, including his father’s death, the AIDS crisis, 9/11, the jobs that supported his writing—Tarot-reading, bookselling, cater-waiting for William F. Buckley—the writing of his first novel, *Edinburgh*, and the election of Donald Trump. By turns commanding, heartbreaking, and wry, *How to Write an Autobiographical Novel* asks questions about how we create ourselves in life and in art, and how to fight when our dearest truths are under attack. ...more *How to Write an Autobiographical Novel: Essays* PDF ebook
