

**Midwinter Break** A retired couple, Gerry and Stella Gilmore, fly from their home in Scotland to Amsterdam for a long weekend - a holiday to refresh the senses, to do some sightseeing, and generally to take stock of what remains of their lives. Their relationship seems safe, easy, familiar. But over the course of the A retired couple, Gerry and Stella Gilmore, fly from their home in Scotland to Amsterdam for a long weekend - a holiday to refresh the senses, to do some sightseeing, and generally to take stock of what remains of their lives. Their relationship seems safe, easy, familiar. But over the course of the four days we discover the deep uncertainties that exist between them. Gerry, once an architect, is forgetful and set in his ways. Stella is tired of his lifestyle, worried about their marriage, and angry at his constant undermining of her religious faith. Things are not helped by memories that have begun to resurface of a troubled time in their native Ireland. As their midwinter break comes to an end, we understand how far apart they are - and can only watch as they struggle to save themselves.
